Stall drawing forms must be turned in no later than Monday, July 15, 2019. Stall drawing will be held Thursday, July 18, 2019 at 7:00 p.m. in the Secretary's Office on the Fairgrounds.

Each club having livestock that will be exhibited at the 2019 Athens County Fair must submit a stall request form no later than Monday, July 15, 2019. As the stall request forms arrive, they will be assigned a number. During the stall drawing numbers will be drawn at random and matched to the form contaning the same number. The club name and number of pens in each species will be written on the respective barn lists posted that evening. NOTE: STALLS WILL BE ASSIGNED BY THE BARN SUPERINTENDENTS ONCE ALL CLUB FORMS HAVE BEEN PROCESSED AND SPACE SITUATIONS IN EACH BARN ARE ASSESSED. THIS WILL ALLOW BARN SUPERINTENDENTS THE ABILITY TO PROVIDE THE MAXIMUM AMOUNT OF STALL SPACE PER EXHIBITOR WITH AS MINIMAL AMOUNT OF CROWDING AS POSSIBLE. There will be no extra tents provided for 2019. All barns will be utilized to the extent they are designed. All names of exhibitors on stall request forms will be matched to junior fair records for accuracy. Clubs are not allowed to draw for tack stalls. Do not draw for an open class entry stall, these will be done by the species chair once registrations is complete. Questions can be directed to the barn superintendents listed in the tabloid. The Fairboard reserves the right to move pen assignments when necessary to accommodate special circumstances or needs. NOTE: Clubs must clean all stalls, removing all debris and dividers before premiums will be paid.
