## CLASSES

1. Exhibitors have the option to choose to show in Novice Class or the class according to their age.

**Novice:** *Any age rider in their first 2 years exhibiting an equine at the Athens County Fair. Novice riders are not eligible for championship classes or PAS shows.*

**Junior:** For ages 8-13. This class is eligible for participation in Championships and PAS Shows.

**Senior:** For ages 14-18. This class is eligible for participation in Championships and PAS Shows.

2. Horse show exhibitors may only compete in one Showmanship class according to their primary riding style. If you miss your showmanship class, you MUST show in another showmanship class, but will not be placed. You cannot use the Showmanship class during the Versatility competition as your Showmanship class. If you don't participate in showmanship during the fair, you WILL forfeit all awards and may not be able to show the rest of the week. All first year 4-H/Junior Fair members can show in 1st year showmanship regardless of what riding class they compete in. This is the only event that does not require helmets other than Horseless Horse.

3. If a youth participates in any PAS designated class, they must show as a junior or senior at the Athens County Fair.

4. The Saddle Horse Committee and the 4-H Horse Council will work cooperatively to reflect the best interest of the Senior Fair Board and the Horse participants. Classes can be recommended by the Athens County 4-H Horse Council or 4-

H members to the Saddle Horse Committee and then will be reviewed/approved by the Senior Fair Board.

5. Championship classes will consist of the top two scorers from each class eligible to return for the championship class. (Novice class participants are not eligible.)
6. Junior Fair members must ride their own 4-H project horse. No doubling unless class requires two exhibitors. (Member must control own project.)
7. If a member is riding a horse, the horse must wear a bridle.
8. All stalls must be kept clean and all bedding removed before leaving the fairgrounds.
9. Exhibitors/advisors/family with questions or complaints must go to the show steward and follow the procedures as set forth in the "Uniform Rules for 4-H Horse Shows in Ohio" and not to the judge.
10. Horseless Horse Project. 4-H members taking the Horseless Horse project may opt to compete at the county fair in a special class. Participants will be judged on basic grooming of the horse, parts of the horse, colors and markings, and grooming tool identity. Knowledge will come from the Horseless Horse Project Book. There will be no pattern work or independent control of the horse. Horseless Horse participants cannot participate in any riding classes.
11. If a rider chooses to ride in the Ranch Pleasure class, he/she cannot ride in a Western, Hunter Under Saddle or Gaited Pleasure. Walk/Trot participants are not eligible for the Ranch Pleasure class.
- 12. A rider will have 2 minutes to get into the arena after being called. After 2 minutes, the rider will be disqualified.**
- 13. Judges rulings are final. Judges have the right to check bits at any time during a show. If a participant has any questions regarding proper tack or bits they are encourage to ask at the announcers stand before riding classes start to speak with the judge or someone else that may be able to clarify for them.**

#### **HORSELESS HORSE CLASS**

The Horseless Horse Class covers grooming and general equine knowledge. The horses used in the class are "donated" for use by club members and have been approved in advance by the Horse Council. The member who owns the horse leads it out into the arena and holds the animal while the horseless horse member works with the judge. The judge asks each member to demonstrate how they would groom the horse by showing how each tool is used and in what order. Judges also ask questions about topics covered in the book. Participants in this class MUST participate in Still Project Judging to be eligible for this class at the fair.

#### **PARADE RULES FOR HORSES**

Anyone participating with their horse in the Athens County Junior Fair Parade must ride with a saddle and bridle. One rider per horse — NO DOUBLING. Horses may wait to line up 15 minutes before the start of the parade.

#### **EQUINE PROJECT CONTESTS**

The Equine Poster Contest participants must have their posters in place by 5:00 p.m. Monday of the fair. Posters will be judged at a time determined by the 4-H Horse Council. Winners will be announced during the pre-sale announcements. Participants in the Horse Shoe Decorating Contest (all ages welcome, but you must provide your own horseshoe) must turn in their entry to the Horse Council at the announcer's booth by Monday at 5:00pm of the fair.
