RULES, SHOW TIMES, ETC. LISTED IN THIS HANDBOOK ARE SUBJECT TO CHANGE BY THE SENIOR FAIR BOARD.

Although we try to be as accurate as possible in putting this Market Project Handbook together, please note, we are human, errors may be made, and the Athens County Agricultural Society Rules and the Athens County Market Livestock Rules will be upheld over anything printed in this Handbook.

GENERAL IMPORTANT INFORMATION AND CHANGES ---

See complete copy of Rules and Show Procedures for all changes.

- **NON-SALE** animals – **Deadline** to turn cards in, for packer and/or processors designation, for **NON-SALE** animals is **9:00 a.m., on Thursday** of the fair. Forms will be available in the Sale Committee Building. **FORMS WILL NOT BE ACCEPTED AFTER 9AM, THURSDAY.**
- **DO NOT ASK YOUR BUYER FOR YOUR ANIMAL BACK** - If your buyer, on their own decides to give your animal back – no “give-back” animal will be permitted to be removed from the fairgrounds until the Senior Fair Board release on Saturday. **DO NOT REMOVE ANIMAL FROM PEN, IF IT IS STILL IN THE PEN SATURDAY MORNING;** go to the Sale Committee Building. **THIS INCLUDES RABBITS AND POULTRY!**
- Market exhibitor must go to the Sale Committee Building Saturday morning and if the animal has been given back to the exhibitor, the Sale Committee will give the “Haulers” copy of the sale night form to the exhibitor. Sale animals are not to be removed without this form. Livestock remains the responsibility of the Junior Fair exhibitor until the animal leaves the fairgrounds.
- Junior Fair participants and those who assist the participants: No removal of any animals and/or tack, no removal of any item/equipment brought to the fairgrounds, located in or out of the barns, which was used during the fair to hold and/or prepare livestock for show and/or sale, or cleaning out pen, until the Senior Fair Boards’ designated release time on Saturday, last day of the fair. Excluding the removal of transport vehicle and trailer. Violations of this rule will result in forfeiture of all monies, awards and the ability to participate in the following year’s fair.
- The barns will be closed during and after the Junior Fair Market Livestock Sale, until the Senior Fair Boards’ designated release time on Saturday. Only authorized persons will be permitted in the barns to assist Fair Board and Sale Committee. Violations of this rule will result in forfeiture of all monies, awards and the ability to participate in the following year’s fair.
- The exhibitor will forfeit all proceeds from the Junior Fair Market Livestock Sale if a market animal is removed from the fairgrounds prior to the exhibitor receiving the “Haulers” copy from the Sale Committee, verifying that the buyer gave the animal back to the exhibitor. If the animal is removed from the fairgrounds prior to receiving the “haulers” copy, the exhibitor forfeits all proceeds and the buyer(s) will be reimbursed all monies for that market animal. **NO EXCEPTIONS!**
- All market animals, sale and/or non-sale, not going to the processor or packer, are not to be removed until the Senior Fair Boards’ designated release time on Saturday, last day of the fair. **ALL MARKET SPECIES ARE INCLUDED IN THIS RULE.**

- **POULTRY SHOW – The poultry show will be on Wednesday.**

Market Exhibitors & Parents – On sale night, many exhibitors are running in and out of the sale ring area. This is interfering with the buyers. We have received many complaints and a few buyers have left saying they are done because of not being able to get a seat or too many youth running in and out, standing in the middle of the aisle way texting, disrupting the view, etc. We surveyed the buyers and the number one issue is seating/youth running back and forth. We must listen to our buyers and make some changes, or risk not having enough buyers. Parents – please understand that although it is nice to see your children sell their animal – if the buyers do not have a place in the Sale Ring Area – they are not going to stay and buy. If the exhibitor prepares an item to give to their buyer, many buyers would prefer that the exhibitor hand deliver that item to their place of business instead of disrupting them during the sale. Please consider this!

Advisors: Please inform market exhibitors that during the Junior Fair Market Livestock Sale, buyers will be asked if they wish to “keep” or “re-sell” their purchase. “Keep” means the **BUYER** is going to keep it, the buyer will either take it home or send it to the processor. “Keep” **DOES NOT** mean the buyer is giving the animal back to the exhibitor. **DO NOT GO TO YOUR BUYER AND ASK IF THEY GAVE YOUR ANIMAL BACK.**

If there is any question regarding your animal being properly castrated and/or dehorned, PLEASE contact your veterinarian early enough that the animal can be taken care of and healed before the first day of the fair. If the animal is not properly castrated and testicular tissue is found any time during the fair, the exhibitor will be required to remove the animal from the fairgrounds. If it is not found during the fair, but is found either before or during processing the STATE can disqualify the exhibitor for life and all premiums and proceeds from the sale must be paid back. If there is any question at all, PLEASE check with a veterinarian.

Hernias, etc. must be taken care of and healed prior to the first day of the fair, or the animal will not be eligible to participate in the Market Show or Sale. All animals must be healthy to be eligible for the market show and/or sale.

Market exhibitors cannot enroll in the same species area in FFA and 4-H. Example: If an exhibitor is enrolled with a market swine project in FFA, they cannot enroll in a market swine project in 4-H. A youth can be enrolled in FFA and 4-H at the same time, but the MUST take different projects.
